TOWN WARRANT
TOWN OF LITCHFIELD
STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM
7:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Litchfield in the County of Hillsborough in said state, qualified to vote on Town affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON TUESDAY, MARCH 8, 1988 AT 7:00 A.M. TO ACT UPON THE FOLLOWING:

1. To elect by ballot the following Town Officers:

One Selectman—one year term; one Selectman—three year term; one Moderator—two year term; one Road Agent—one year term; one Trustee of Town Trust Funds—three year term; one Library Trustee—one year term; two Library Trustees—three year terms; two Budget Committee members—three year terms; one Budget Committee member—one year term; one Check-list Supervisor—six year term; and one Fire Chief—one year term.

2. To vote by ballot on the following amendments to the Town Zoning Ordinances:

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town building code as follows:

Amend the existing building code by striking out existing Section 110.3 and insert an amended version of Section 110.3. This amendment will permit the Board of Selectmen to adopt a fee schedule for the issuance of building permits after a public hearing. The building inspector shall make annual recommendations to the Board of Selectmen for adjustments in the fee schedule. (Vote by official ballot.)

Yes ☐ No ☐

2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 250.4(b) by adding a new Section 250.4(b)(2). This amendment will permit churches by special exception in the residential district, subject to certain minimum restrictions and further subject to site plan review by the Planning Board? (Vote by official ballot.)

Yes ☐ No ☐

3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 251 by adding new subsection 251.1(a). This amendment will provide that the terms “mobile home(s)” or “trailers” as used in the ordinance shall mean “manufactured housing” as that term is defined in RSA 674:31? (Vote by official ballot.)

Yes ☐ No ☐

4. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 251.2 by deleting the requirement that any proposed mobile home park first receive approval from the Planning Board and from the majority of voters at a special or regular town meeting. This amendment will bring the zoning ordinance into compliance with RSA 674:32? (Vote by official ballot.)

Yes ☐ No ☐

5. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend existing Section 330.3 by reducing the amount of area that a site proposed for use in the commercial district may be covered by improvements, such as buildings, driveways and parking areas. The amount of site coverage will be reduced from 75% to 65% of the total area of the lot? (Vote by official ballot.)

Yes ☐ No ☐

6. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 330 by adding a new subsection 330.4, in order to provide that uses of land in the commercial zone shall have a minimum lot size of one (1) acre (43,560 square feet)? (Vote by official ballot.)

Yes ☐ No ☐

7. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 350 of the ordinance by rewording the introductory paragraph making clear that certain enumerated uses are permitted in the commercial zone. Further, this amendment will add new subsections 350.8, 350.9, 350.10, and 350.11 in order to allow churches, recreational facilities, fraternal orders or membership clubs, schools, day care centers and funeral homes as permitted uses in the commercial zone? (Vote by official ballot.)

Yes ☐ No ☐

8. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 570.5(a) by clarifying that proposals to alter a watercourse in the floodplain conservation district must be sent to the Governor's Office of Emergency Management? (Vote by official ballot.)

Yes ☐ No ☐

9. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 650.2(a) by providing that permitted forestry-tree farming uses in the wetlands conservation district zone must obtain special exceptions for the use of access roads that will cross wetlands and streams? (Vote by official ballot.)

Yes ☐ No ☐

10. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the town zoning ordinance as follows?

Amend Section 700 of the ordinance in order to provide that the disposal, recycling and treatment of hazardous wastes produced outside of the Town of Litchfield shall be prohibited. This amendment will further provide that those hazardous wastes produced by manufacturing operations within the Town of Litchfield will be allowed to be disposed, recycled or treated within Litchfield in the industrial zone? (Vote by official ballot.)

Yes ☐ No ☐

11. Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the town building code as follows:

Amend the building code by adding a new Section 170 in order to designate

the Litchfield Zoning Board of Adjustment as the Building Code Board of Appeals as required by RSA 763:1(V)? (Vote by official ballot.)

Yes ☐ No ☐

12. Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 190.4, Board of Adjustment, in order to provide that fees for applications to the Zoning Board of Adjustment will be set by the Board of Selectmen. The amount of those fees shall be based upon the previous year's operating expenses for the Zoning Board of Adjustment, divided by the number of cases during the same period? (Vote by official ballot.)

Yes ☐ No ☐

13. Are you in favor of the adoption of Amendment No. 13 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend Section 170.1, Setback Requirements, by adding a new requirement that would provide that every building and dwelling shall be set back 20 feet from the rear and side lot lines? (Vote by official ballot.)

Yes ☐ No ☐

14. Are you in favor of the adoption of Amendment No. 14 as proposed by the Planning Board for the town zoning ordinance as follows:

Amend existing Section 250.4(a)(1) in order to correct a referencing error in the home occupation ordinance. The reference to Section 250.7 in said subparagraph will be changed to Section 250.3? (Vote by official ballot.)

Yes ☐ No ☐

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON FRIDAY, MARCH 11, 1988, AT 7:30 P.M. TO ACT UPON THE FOLLOWING ARTICLES:

1. To see if the Town will vote to raise and appropriate the sum of \$1,000,000.00 for the reconstruction and overlay of town roads and to authorize the issuance of \$1,000,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Town Officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The length of the bonds or notes not to exceed five years. (Vote by ballot [Two-thirds majority required].) Recommended by the Budget Committee.

2. To see if the Town will raise and appropriate, through the sale of Municipal Bonds and Notes, the sum of \$230,000.00 for the purpose of constructing a two-bay fire sub-station in the vicinity of Talent Road and Albuquerque Avenue. (By Petition) (Vote by ballot [Two-thirds majority required].) (Not recommended by the Budget Committee.)
3. To see if the Town will vote to raise and appropriate the sum of \$8,050.00 for the purpose of leasing a front-end loader for the use of the Highway Department, and to authorize the Board of Selectmen to enter into a one-year lease agreement for that purpose. At the town's option, the lease may be renewed for additional one-year periods subject to further appropriation of the town. (Recommended by the Budget Committee.)
4. To see if the Town will vote to raise and appropriate the sum of \$16,000.00 to purchase and equip one new police cruiser and to authorize the Selectmen to withdraw for this purpose \$13,719.77 together with accrued interest from the Federal Revenue Sharing Fund, and further to authorize the Selectmen to raise the balance of \$2,280.23 of the appropriation by taxation. The specifications for and the selection of said vehicle shall be determined by the Selectmen; and the purchase of said vehicle shall be by competitive bidding. That further, the Selectmen are authorized to sell the Town cruiser being replaced by the new police cruiser, as they shall determine, and that said sale shall be by sealed bid procedure with the proceeds therefrom to be paid to the Town Treasurer. (Recommended by the Budget Committee.)
5. To see if the Town will vote to hire two additional full-time police officers effective April 3, 1988 at an annual salary of \$18,978.96 and to raise and appropriate the sum of \$36,264.74 for salaries and related costs for the period of April 3, 1988 to December 31, 1988. (By Petition) (Not recommended by the Budget Committee.)
6. To see if the Town will raise and appropriate the sum of \$20,000.00 for the design and preliminary site work for the construction of a two-bay fire sub-station in the vicinity of Talent Road and Albuquerque Avenue. Expenditure of such monies may be offset by the use of Federal Revenue Sharing Funds. (By Petition.) (Not recommended by the Budget Committee.)
7. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be used for plumbing and bathrooms at Roy Memorial Park and for fencing for Darrah Pond. (Recommended by the Budget Committee.)
8. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

9. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95b.

10. Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000.00; for a person 75 years of age up to 80 years, \$15,000.00; for a person 80 years of age or older, \$20,000.00. To qualify, the person must have been a New Hampshire resident for at least five years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of less than \$10,000.00 or if married a combined net income of less than \$12,000.00, and own net assets of \$30,000.00 or less, excluding the value of the person's residence. (Vote by ballot.)

11. To see if the Town will vote to rescind Article 15 of the Annual Town Meeting, March 11, 1964, whereby it authorized the Tax Collector to discount 3% of property taxes paid before July 1st of each year.

12. To see if the Town will vote to abolish the position of Town Road Agent and to adopt the following in lieu thereof:

To see if the Town will vote to enact the following ordinance creating the Town of Litchfield Department of Public Works. The ordinance will take effect on January 2, 1989.

A. Establishment

1. There is hereby created the Department of Public Works, an executive department of the Town of Litchfield. It shall consist of the Director of Public Works, who shall be the head of the Department, and all officers and employees assigned thereto.

2. The Director of Public Works shall serve under the direction and guidance of the Board of Selectmen and shall be the functional equivalent of the town road agent.

3. The Director of Public Works shall be a full-time position as of January 2, 1989. The rate of compensation shall be set according to the salary schedule. The Grade on the salary schedule shall be set by the Board of Selectmen.

B. Duties and Responsibilities

1. The Department of Public Works shall have the charge of and the supervision over the care, maintenance and construction of all town highways, streets, sidewalks, alleys, public ways and bridges, except as provided in the laws pertaining to state aid for highways and bridges and town road and bridge aid, and shall have authority to employ the necessary men and equipment and purchase timber, planks and other material for construction and repair of such highways, streets, sidewalks, alleys, public ways and bridges; the construction, operation and maintenance for storm-water and sanitary sewers and all street gutters and drains and the appurtenances thereto.

2. The Department shall have charge of the streetlighting system, and shall coordinate with appropriate public utility authorities for the maintenance, repair and extension thereof.

3. The Department shall have the charge of, and shall supervise, the operation of the Town Incinerator and the Town Landfill.

4. The Department shall have the authority over the maintenance of Town Parks and Recreational facilities and coordinating said maintenance with the Parks and Recreation Committee.

C. Properties Assigned to Department

All physical properties of the town, including the parks, playgrounds and all municipal utilities not assigned to some other department or officer, shall be and are hereby assigned to the Department of Public Works.

D. Tools and Equipment of Town

The Director of Public Works shall be custodian of all tools, equipment and other personal property belonging to the town and not assigned to the care of other town departments or of any other public officer.

E. Additional Duties

In addition to the above, the Department of Public Works shall undertake other and additional duties as may be assigned to it from time to time by the Board of Selectmen.

13. Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for

nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. (By Petition) (Vote by ballot.)

14. To see if the Town will vote to amend the existing Town of Litchfield Ordinance pertaining to the operation of the Town of Litchfield Municipal Incinerator and Solid Waste Disposal Facility as follows:

Amend existing Section I. *Hours of Operation and Admittance Thereto*, by renumbering said section as Section II, and by adding a new Section I to read as follows:

Section I. Fees for Non-Residential Solid Waste Disposal:

“The Litchfield Municipal Incinerator and Solid Waste Disposal Facility will accept residential solid waste without charge. For the purpose of this section ‘Residential Solid Waste’ shall mean that solid waste generated solely by a residential household. All other generators of solid waste, including but not limited to commercial, industrial and agricultural uses and operations, may dispose solid waste at the facility after paying such fees as may be established by the Board of Selectmen.”

Further, amend the remaining sections of said ordinance by renumbering each section in consecutive order so that each will appear as follows: “Section III, *Use of the Municipal Incinerator and Solid Waste Disposal Facility*,” “Section IV, *Commercial and Household Compactors*,” “Section V, *Commercial and Industrial Haulers*,” “Section VI, *Transportation and Origin*,” “Section VII, *Supervision and Operation*,” “Section VIII, *Trespass*,” “Section IX, *Penalties*,” “Section X, *Separability and Effective Date*.”

15. To see if the Town will vote to provide that any person violating the provisions of the Litchfield Park Regulations adopted by the Board of Selectmen and Parks and Recreation Committee on August 31, 1987 shall be guilty of a violation and shall be fined not more than \$500.00.

16. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the New Hampshire Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the simple fee or lesser interest in conservation land. Said appropriated funds

and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

17. To see if the Town will vote to recognize the following roads as dedicated to public use and hereby accept as Public Highways for the Town of Litchfield:

Birch Street
Steven Way

18. To see what action the Town will take to amend Section B of Litchfield Ordinance #76-1 *Dogs running at large prohibited* as follows:

By deleting the present wording:

Section B: It shall be unlawful to permit any dog to run at large within the limits of the town. "At large" means off the premises of the owner or the keeper, and not under the control of the owner or a responsible person. Dogs are not considered running at large if under the control of the owner, and under the control of the owner while hunting, or on the owner's premises.

And to insert in lieu thereof, the proposed wording:

Section B: It shall be unlawful to permit any dog to run at large within the limits of the Town. "At large" means off the premises of the owner or keeper, when such dog is not restrained by a leash of ten feet or less. Dogs are not considered running at large if under the control of the owner while hunting or on the owner's premises. All owners are required to keep their dog(s) kennelled or tied. (By Petition)

19. To see if the Town will discontinue a portion of Pinecrest Road, from the point where Pinecrest Road intersects with the proposed McElwain Drive, and running westerly 600 feet more or less to the easterly line of Route 3A.

Provided, however, that the discontinuance shall be effective (1) only after the successful relocation of Pinecrest Road from McElwain Drive to Route 3A in accordance with a plan, entitled "Pinecrest Road Relocation, Route 3A to Underwood Drive" and' (2) subject to the approval of necessary funding by the Town Meeting for the relocation project.

20. To see if the Town will discontinue a portion of Pinecrest Road, from a point where Pinecrest Road intersects with the Londonderry town line and thence running westerly a distance of 430 feet, more or less.

Provided, however, that the discontinuance shall be effective (1) only after the successful relocation of Pinecrest Road at a point where it intersects with

Hillcrest Road in accordance with a plan entitled “Plans for Reconstruction of Pinecrest Road” and; (2) subject to the approval of necessary funding by the Town Meeting for the said relocation project.

21. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, as set forth, posted herewith and to consider each item in whole or in part.

22. To transact any other business that may legally come before said meeting and to read minutes of said meeting.

Given under our hands and seal, this twenty-second day of February, in the year of our Lord nineteen hundred and eighty-eight.

M. Patricia Jewett
Ralph G. Boehm

AUDITOR'S REPORT

January 28, 1987

Board of Selectmen
Town of Litchfield, New Hampshire

We have examined the general purpose financial statements of the Town of Litchfield, New Hampshire for the year ended December 31, 1986 and have issued our report thereon dated January 28, 1987. As part of our examination, we made a study and evaluation of the system of internal accounting control of the Town of Litchfield, New Hampshire to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards.

The purpose of our study and evaluation was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the entity's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the Town of Litchfield, New Hampshire is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of the inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly we do not express an opinion on the system of internal accounting control of the Town of Litchfield, New Hampshire taken as a whole. However, our study and evaluation disclosed the following conditions that we believe result in more than a relatively low risk that errors

or irregularities in amounts that would be material in relation to the financial statements of the Town of Litchfield, New Hampshire may occur and not be detected within a timely period.

AUDIT TRAIL

Treasurer:

Although we noted great improvement in the Treasurer's investment records, the following conditions still exist:

- The total of certificate of deposits with banks did not agree with the Treasurer's records at December 31, 1986.
- The amount recorded as interest earned on deposits/investments was incorrectly stated.

We believe these two conditions to be directly related. When recording investment activity a detailed record of the investment activity should be maintained. Each time a certificate of deposit is recorded the amount of the purchase should be recorded as an investment in certificate of deposit. When the certificate matures the investment records should be adjusted to reflect the maturity, and the amount of interest earned at maturity. If the certificate is rolled over at maturity the investment records should reflect the amount which is rolled over as the amount invested in certificates of the deposits.

The amount reported as interest income was also incorrect. As money was transferred from the "special fund" to the operating account, interest that had been previously recorded in the "special funds" account was recorded a second time. To eliminate this problem of duplicate recording of interest, as in prior years, we again suggest that the Town close out these "special accounts".

PURCHASE ORDER SYSTEM

The Town of Litchfield is experiencing tremendous growth which will burden current operating practices and require formalized financial procedures to permit continued financial control by the Board of Selectmen. We recommend that the Board of Selectmen consider the implementation of an effective purchase order system to control expenditures at the departmental level. Non-recurring expenditures by the Town office or department heads over a set dollar limit should require the use of a purchase order approved by the Board of Selectmen. Upon receipt of the goods or services, the invoice should be matched with a copy of the purchase order to verify the receipt of the goods or services at the approved cost. While there may be some resistance to formalized procedures by department heads, we believe that it is in the best interest of the Town to utilize an effective purchase order system to control departmental expenditures. We would be most

pleased to assist you to establish formalized procedures in this regard.

TRUST FUNDS

Our examination of trust funds indicated a lack of adequate record keeping for cash receipts and disbursements. Disbursement record keeping was limited to a notebook of all the paid invoices. Cash receipts records are non-existent. In addition, no records are maintained for the Pinecrest and Hillcrest Cemetery certificates of deposit. As a result, it is difficult and very time consuming for us to determine the financial transactions during the year. To further complicate matters, no bank statement of account activity was available for the current audit period.

We recommend that, at a minimum, a detailed cash receipts and disbursements record be maintained for all funds under the Trustees control. We also urge that the Trustees maintain a investment journal where certificates of deposit could be tracked and rollover of interest be recorded on a current basis. We suggest that consideration be given to the transfer of the investment and accounting function to a professional management organization such as a bank or other financial institution (as more fully discussed on our Memorandum of Comments and Recommendations).

Carey, Vachon and Clukay, P.C.

ANNUAL REPORT BOARD OF SELECTMEN

This year the Board of Selectmen consisted of two new members, Ralph Boehm was elected to office in the March election, and Arthur Frappier was appointed to the seat vacated by Bertha Mieczkowski.

The Reassessment Committee interviewed appraisal companies, and invited quotes. With their help we selected the Avitar Corporation to do our re-assessment. The re-assessment is scheduled to be done by October 1. The Board of Selectmen wishes to thank Rina Pettit, Bill Dickinson, and James Waranda for the amount of time and work they put into this committee.

In June, we found out that it would cost the town \$44,000 in interest costs. We had only budgeted \$28,000 for this expense. In order to satisfy this expense, we had to move money from other accounts. At this time we also decided to have the town go to semi-annual tax collections so even higher expenses for interest would not have to be spent. We also started a purchase order system to keep expenses under control.

In September we found out what exactly our tax increase would be. The 30% increase was more than we had thought. At this point we decided that the Town had to put a halt to increased spending. The proposed town budget is an attempt at that.

As the end of the year approached, we were again hit with a budget setback. The towns new Police Cruiser burst into flames and was totaled. Even though most of the cost would be covered by insurance, the money was needed immediately to purchase a new cruiser. Again some juggling was needed. We were glad when January 1st rolled around.

The Board would also like to thank the members of the various committees and boards that keep the town operating. The members of the Planning Board, Zoning Board of Adjustment, Park and Recreation and other committees as needed, work many hours without any compensation. If you want to help on any board or committee please let us know.

The Board thanks all employees and officers who helped in making this a productive year.

M. Patricia Jewett, Chairman
Ralph G. Boehm
Arthur R. Frappier

LITCHFIELD FIRE DEPARTMENT

Annual Report—1987

It is once again my pleasure to submit to you the annual report of the Fire Department for 1987.

If I may, I would first like to express my sincerest appreciation to all of our firefighters, permanent and call, for their untiring support and devotion to duty. Each year the department responds to more and more calls for assistance and these firefighters keep coming back, day and night—on the hottest summer days and the most bitter cold winter nights. They are your neighbors and friends, with a commitment to providing fire protection and basic emergency medical care that is unsurpassed. You might be surprised to know that out of \$117 per thousand valuation, the Fire Department costs only about \$1.90 per thousand!

1987 proved to be the most trying year to date for the department. There were 265 alarms answered with over \$270,000 worth of property damage due to fire. The most difficult was the loss of the Sherrick family in the October 19 fire on Campbell Drive. Not only was the fire difficult to extinguish, but the tragedy of knowing that there were people inside left all of us with a sense of helplessness and hurt. The feeling of “it can’t happen here” was brutally shattered in an instant.

We are continuing to seek funds for the south end fire station, as we feel the need now, more than ever, especially with the impending development of the Industrial Park, Route 102, and the Circumferential Highway. Unfortunately, each year we delay, the costs increase. You will notice two warrant articles relating to the station, one for design and one for construction. The Board of Selectmen, while indicating support, advised us to seek petitions for the warrants this year due to the tax rate.

The department once again sponsored a Fire Prevention Week program which was brought to every school and day care center in Litchfield. I am very appreciative of the school district for the financial support received for this important educational program.

The 1975 pumper was sent out for refurbishing in June, being completed in approximately thirty days. The workmanship was quite satisfactory and should carry the truck through several more years of service.

The permanent firefighters have proven to be quite an asset to the Town. In addition to providing fire and emergency medical protection during the daytime hours, they have worked closely with the Code Enforcement Officer with inspections, provided testing of municipal fire alarm systems, conducted various school programs, and training of night shift call firefighters.

The department also continued to maintain a rigorous training schedule for all firefighters—a necessity these days with the complex hazards we are running into. Again, a note of thanks to them for volunteering their time for this training!

In summation, I wish to thank the Board of Selectmen and the various department heads and agencies in town for their support throughout the year. I would also ask that all of you take an extra few minutes to check your house for fire hazards, make sure you have properly operating smoke detectors, and finally, have a healthy and fire safe 1988!

Respectfully submitted,

Brent T. Lemire,
Chief of Fire Department

POLICE DEPARTMENT

ANNUAL REPORT 1987

1987 showed some changes for the Litchfield Police Department. The most significant change being the addition of two full time Police Officers. The Department has received many positive comments from residents who have seen the increase of patrols in their neighborhoods. The addition of these two Officers has allowed Town coverage with two Officers on patrol to increase to 16 hours per day. It is hoped that 1988 will allow us to increase our patrol even more. We will be looking to give two Officer coverage 24 hours a day.

Crime as a whole stayed just about the same for 1987. However, we did show small increases in the areas of Burglaries, Assaults, Possession of Alcohol by Minors, and Thefts. Areas showing decline were Arson Fires, OHRV Complaints, and Motor Vehicle Accidents (see complete statistical data following).

A major goal for 1988 is in the area of working with the young people of Litchfield. Drug education is an area that needs strengthening. Currently there is little being done to educate our young people in the area of drugs. A survey completed by the Litchfield Highway Safety Committee indicated that the young people are looking in this area. Several projects to help correct this situation are currently in the planning stages and hopefully will be implemented during 1988.

Respectfully submitted,

David L. Roberts
Chief of Police

LITCHFIELD CONSERVATION COMMISSION

This year the Trust for New Hampshire Lands was funded by the State and will soon be considering applications for matching fund grants to purchase lands of local and state significance. The purpose of these land acquisitions is to protect and conserve natural resource lands for their perpetual use by the citizens of New Hampshire. We, at the Conservation Commission, would like to see some of these funds expended on the purchase of land for river access. Anyone who would like to have more information on the Trust for New Hampshire Lands, please contact us or the Nashua Regional Planning Commission.

This year we had another large turnout for our annual fishing derby. The weather cooperated and the fish all arrived on time. We purchased fish from Greenwood Trout Hatchery, and received our matching amount of fish from our State Hatchery at Milford. This year we were able to repair the bridge, partly from wood donated from local lumber yards. Thanks to John Curtis for finding the donations.

We planted trees donated by the State Nursery in honor of the Bicentennial of the Constitution. These young Maple trees will provide shade around our new school for future generations.

We would like to have some more volunteers for alternate members to the Commission. We have a lot of things to do this year, we could really use the help.

We would like to do some work to improve the trails used for hiking and cross-country skiing in town. Any volunteers who would like to donate time to mapping and clearing trails, please contact us.

Glenn McKibben, Chairman
Florence Leary
Joan McKibben
Marilyn Wade
Mark Peabody

SAVE THE FARMLAND COMMITTEE

The Save-the-Farmland Committee was formed after last year's Town Meeting and has had meetings throughout the year. We've looked into any and all possibilities that we could think of to save land. At first, we started all effort on farmland, but then decided to broaden our look into all land. We inquired at the state level to see if any town had done anything like this to save farmland. Contact was made to four towns in our state when we heard they had saved some of their land, by giving a tax break, but the state does not allow tax credits.

We had several speakers and personally invited twenty-eight land owners with at least ten acres to attend. Speakers explained several options that landowners had to help themselves, taxwise and at the same time to help the town. These included, current land use, selling development rights to the state, conservation easements and others.

Once our town is reassessed, this will put all land at a much higher tax rate and the twelve large landowners present, realize that.

Speaker Ed Jansen of Rollingford, N.H., a selectman, explained how his town purchased fourteen acres of riverfront land for \$90,000 last year. This land was to be sold to a developer to build condominiums. Our committee all agreed that land in our town hasn't been sold for \$6,500 an acre for a long time. Because we are in the busiest growth region in the state, we feel it is urgent to pursue open space. But the town could not afford to buy any land this year.

The committee has inquired about other possible recreation sites. We realize once the land is sold for development, chances are slim for the town to buy it. We're still looking to any small or large landowner in town to pursue further option to secure open space for future generations.

The committee members include — Barry Bean, Perley Colby, William Dickinson, Joan McKibben and Maurice Morin.

M. Patricia Jewett
Chairman

INDUSTRIAL—COMMERCIAL DEVELOPMENT COMMITTEE

The Industrial-Commercial Development Committee has had over ten meetings since organizing after last year's Town Meeting. The committee members were appointed by the Planning Board. William Dickinson was chosen to be chairman.

At present, the Industrial Park has only limited access to water, with no direct gas or sewerage lines.

A group of local developers has donated \$20,500 to be spent by this committee on engineering and related work to determine the visibility of connecting with bordering towns' utilities. The committee has proposed the hiring of Louis Caron, engineer from Manchester, to do the necessary engineering.

Bylaws, objectives and goals have been adopted by the Industrial Commercial-Development Committee. This committee is an extension of the Planning Board and will report to the board at least quarterly to keep them informed of the progress.

Industrial and commercial zoning ordinances of area towns are being reviewed to make recommendations for proposed changes for Litchfields' current zoning and related ordinances.

Various speakers have addressed the committee at their regular meetings on related topics.

The committee was formed to prepare for the growth expected as the result of the circumferential Highway and to help establish a sound tax base for the Town of Litchfield.

Members of the committee are: Rina Petit, Warren Adams, Leon Calawa, Richard Charbonneau, William Dickinson, David Doyle, Eugene Ducharme, Willis Jewett, and Richard Lascelles.

LIBRARY TRUSTEES ANNUAL REPORT

After having reviewed the last year's activities, it would be most fair to characterize 1987 as a year of wrestling with many problems - a lot of time spent trying to get anyone we dealt with to do anything. Here is a partial list of things we tried to negotiate and got nowhere with:

1. Acquisition of land adjacent to library for expansion purposes.
2. Grant application for renovation of basement.
3. Purchase new sign for library.
4. Repair gaping holes in library driveway.
5. Estimate paving of parking lot for Capital Improvements purposes.
6. Selection of new furniture to create more efficient work station for librarian.

This new year saw a turnover in Trustees with the departure of Gloria Driggers and Kathy Dudley and the election of Fran Martineau and appointment of Chris Lepine. A new position, that of library page, was created in this year's budget and has been filled very well by Laurel Kampe.

The trustees, after struggling for several years with their inability to spend the amount of interest accumulating from the Zylonis Trust on Lithuanian books and periodicals (the only purchases allowed under the terms of this will), decided to explore the possibility of joining the Lithuanian Cultural Center in Nashua. Perhaps at some point the terms of the will can be expanded sufficiently to allow us to provide something of benefit to the citizens of Litchfield.

A portion of our time was spent wrestling with defining the actual responsibilities of library trustees, clarifying those responsibilities with the Selectmen and rearranging our budget to cope with the \$1500.00 which the Selectmen removed from it after Town Meeting to cover other expenses.

We are presently in the process of interviewing and selecting an architect to design the renovation of the basement for a children's room and the provision of handicapped access. This step is necessary in order to apply for a grant for matching funds which we hope to do in the coming year.

Respectfully submitted

Patricia Sutin
President
Litchfield Board of Library Trustees

LIBRARIAN'S REPORT 1987

The staff and trustees continued their efforts to upgrade the library resources and facilities during 1987. 171 new borrowers registered and circulation for the year reached 13,712. Over 1,000 books, acquired either through expenditure of town funds and fine money or through generous donations, were added to our collection. Donors this year include: B. Ahlman, K. Allaire, J. Austin, S. Broussard, B. Cadran, D. Cahill, Mrs. Catman, A. Clark, John Colby, Dabrowski family, C. Danielson, M. Dickenson, D. Dominici, Claudette Durocher, Liz Durocher, J. Fleming, W. Flood, M. Ham, A. Hamilton, Chad & Rebecca Henrichs, M. L. Hunt, Jeanne Ince, Pat Jewett, N. Larrabee, Mrs. Lolicata, Kevin McGivern, Joan McKibben, Jane Meadows, B. Mieckowski, K. Mygan, Peterson family, S. Raswyck, Phil Reed, the Rotary Club of Hudson, L. Ryan, S. Sullivan, Pat Sutin, L. Thompson, C. Townsend, L. Vessels, J. Warena, L. White, and S. Wiatrzyk.

I am pleased to note that many of the above names are those of young people. Also taking an interest in the library were Chris Lepine's Brownie troop, who planted pansies beside our rear entrance. Girl Scouts, led by Rita Kohari and Linda Pelletier, donated books and cassettes that they had recorded themselves. Troop members included: Kelly Anderson, Kathy Cirka, Robyn Collins, Sherrie Davis, Kim Edwards, Jenny Frechette, Melissa Lane, Meredith Malborne, Lynne McCormick, Amanda Murray, Holly Pelletier, and Jessica Psaradelis. Several young people worked as volunteers this year. They were: Jeffrey Chabot, Sarah Dalton, Jessica Meins, and Laurel Kampe (who was later hired as our page). A special thanks to all of you.

Thirty-two children registered for the preschool story hour, under the direction of Ginny Farrar. Assisting Mrs. Farrar were Dianne Cahill, Janet Doxey, Maria Maynard, and Cindy Parker. We are grateful for your help.

During National Library Week, the Library held an open house and community expo. Thanks to the local organizations who participated. This past October, the Library Trustees and the Litchfield Historical Society co-sponsored our most popular program. "Ghost Hunter" Norm Gauthier spoke to an overflow crowd. We hope to offer similar programs this year.

Before I close, I would like to thank Mr. Tim Phelps for reinforcing our shelves and for donating his time and expertise throughout the year.

I am most grateful to the Trustees for their continued support.

Thanks to your combined efforts, the Library will continue to meet the needs of our growing community.

BUILDING DEPARTMENT

Report of the Building Inspector 1987

There were four hundred and twenty-six (426) permits issued during the year 1987 and were classified as follows:

Description	No. of Permits	Estimated Valuation
Single Family Dwellings	66	\$ 11,880,000.00
Two Family Dwellings	5	1,225,000.00
Utility Storage Buildings	5	4,000.00
Additions & Alterations	45	300,000.00
Attached Breezeway & Garages	30	625,000.00
Unattached Garages	4	72,000.00

ANNUAL REPORT PLANNING BOARD

The Planning board held forty-six public meetings and several on-site inspections during the 1987 fiscal year. Ten subdivisions were approved creating 157 house lots. Four commercial site plans also were approved as well as one excavation site plan.

The Planning board has recovered, in the form of charges back to developers 23% of its budget.

We have worked very closely with developers and accepted their contributions for off-site improvements. The developers of both Forest Hills and Hillcrest Estates have agreed to construct two tennis courts at Darrah Pond. Lockmill Estates has contributed funds for engineering studies and reconstruction of a portion of Pinecrest Road.

The Board of Selectmen is considering the offer of funds from Sawmill Brook Development and Tate Brothers Paving for the reconstruction of the intersection of Hillcrest Road and Rt. 3A.

In an effort to protect water resources for the citizens of Litchfield, we have accepted numerous conservation easements bordering streams, ponds and wetlands. We have also asked for and received conservation easements along the Merrimack river.

As Litchfield does not have a full time professional planner, the services of the Nashua Regional Planning Commission Circuit Rider, Jay Minkarah, is absolutely essential to the continued success of the planning board. Jay previews site plans to see that they meet requirements for acceptance. He charges his time back to the applicant when appropriate. Jay advises the Planning Board as to changes to the Town's Ordinances.

The Circuit Rider, with the resources of the Nashua Regional Planning Commission, is also assisting us in investigating the possibility of impact fees from developers. Impact fees will help pay for expansion of schools, roads and fire and police protection necessitated by the increased population directly related to new residential developments.

Jay assisted with the Capitol Improvements Plan Update and will assist in the update to the Master Plan this year. We are considering the establishment of an Historic District along the Charles Bancroft Highway centered near Town Hall.

As you know, Litchfield has experienced tremendous residential growth pressures over the past few years. This unbalanced growth is placing more and more demands on the infrastructure of the Town and has increased the tax burden by 45% over the past two years. We believe that balanced growth

in residential, industrial and commercial uses will broaden the tax base and ease the tax shock to homeowners. To this end, the Planning Board recently established the Litchfield Industrial/Commercial Development Committee. The goal of this committee is, "To advise the Planning Board in preparing for industrial/commercial development in the Town of Litchfield." An immediate objective is to produce a feasibility study to extend utility services (sewage, water and gas) from Hudson to the south end industrial park before the Circumferential Highway eliminates this opportunity. The Board of Selectman has accepted \$20,500 from the owners of the industrial park for this study.

Claudette Druocher produced and sent an exploratory proposal to the Trust for New Hampshire Lands. The objective is to identify an area of farm land along the Merrimack River that can be preserved as open space and a possible boat ramp.

We welcome two new Planning Board members. Bob Martineau has a background in civil engineering. This includes surveying, site plan review and layout of roads and sewage systems. Gary Garfield is a Geotechnical Engineer. His background includes soil engineering and construction inspection. Gary's goal is to work in the area of Environmental Engineering. He is currently studying municipal and industrial hazardous waste disposal techniques.

With this additional expertise, the Planning Board is well positioned to meet the issues and challenges of the new year.

Warren W. Adams
Planning Board Chairman

ZONING BOARD OF ADJUSTMENT

ANNUAL REPORT

The ZBA during 1987 acted on twenty-five requests for variances and ten requests for special exceptions. While the majority of variances were for reductions in frontage, setback, sideline and lot size requirements, variances were also sought for increased sign sizes and removal of use restrictions. Special exception appeals included one request to permit a golf course in the residential district.

Several decisions made by the ZBA over the course of the year are presently being challenged through the court system. The decisions are all related to case number 1986-25 where Continental Paving, Inc. sought a special exception to allow construction of an asphalt manufacturing facility and a variance to access the Litchfield Industrial Park from 3 A.

The Board also experienced an increase in community involvement with the appointment of three new members. The Board extends an invitation to Litchfield residents to fill the two remaining vacancies.

ANNUAL REPORT OF THE NASHUA REGIONAL PLANNING COMMISSION

We are pleased to report that 1987 has been a year of major accomplishment for the Nashua Regional Planning Commission, with significant progress made on numerous regional and local projects. The NRPC is a cooperative venture of twelve local governments in the Nashua Area which is supported, in part, by funding from each member community's dues. We perform long range transportation planning for the region, assist each town in its local planning and zoning efforts and develop plans and programs for the solution of regional problems such as solid waste disposal and water quality protection.

Perhaps the most significant regional accomplishment over the past year has been the completion of the Regional Aquifer Delineation Study, conducted by the U.S. Geological Survey. The final report and maps were released at a press conference at the NRPC offices in November, followed by NRPC-sponsored workshops explaining how this \$250,000 Study provides our communities with aquifer maps upon which legally-defensibly aquifer protection regulations can be based. Due to the efforts of the Nashua Regional Planning Commission, which coordinated funding and support for this project, our region is the first part of New Hampshire to be mapped.

As we all know, transportation is a major problem in the Nashua Area and the NRPC is striving to improve traffic conditions and transportation opportunities for our region's residents. Notable accomplishments include the Transportation Improvement Program (TIP) which provides a ranked list of transportation improvement projects. Many of these projects, such as the Hudson Circumferential Highway, widening of the F. E. Everett Turnpike and construction of new highway interchanges are included in the Governor's Ten Year Highway Plan and scheduled for construction in the near future. We have also been active in encouraging the State to keep our project on schedule and to address concerns raised by our communities. For example the NRPC sponsored a meeting of State and local officials to discuss the location of toll booths along the Circumferential Highway. We were also successful in convincing the State to expand the Route 101A bypass Study Steering Committee to include local elected officials to ensure local input throughout the corridor selection process. Furthermore, the Commission has aided several towns in determining traffic impacts associated with proposed developments via our traffic impact review service and has established a regional traffic count system to provide reliable trend data for traffic studies in our region. In an effort to improve our total transportation system, the NRPC continued to provide transit planning services and, in concert with the

Chamber of Commerce and City of Nashua, we have initiated a feasibility study of extending passenger rail service between Nashua and Boston.

In response to inquiries from several communities, the Commission is in the process of writing an Impact Fee Handbook under contract with the Office of State Planning. This handbook covers legal issues, methodologies for developing a reasonable and legally-defensibly impact fee system, sample ordinances and issues associated with town administration.

As you might expect, the NRPC is inundated with requests for data about the Nashua Region. The Economic Profile, which was last prepared in 1981, has been rewritten and updated to include commonly requested information and help reduce staff time consumed by data research. In addition, computer science graduate students at Rivier College prepared a Program Plan and Software Product Performance Specification for our Regional Data Center which we hope to establish during the coming year as a public/private partnership.

The Merrimack River is one of our region's most important natural, scenic and recreational assets. As a follow-up to hearings sponsored by the Commission last year, the NRPC is conducting a detailed parcel-by-parcel analysis of land use, ownership and natural resources. We seek to identify parcels which could provide public access and park land and are reviewing the consistency of local master plans and land use regulations in the four communities bordering the river.

In an effort to help protect and enhance our region's historic resources, the NRPC has established an historic preservation program and has hired a part-time historic preservation specialist. This service is available on a 50/50 matching basis to assist communities with historic resource inventories, creation of local historic districts, National Register Nominations and preparation of historic preservation chapters for town master plans.

The NRPC is very enthusiastic about the prospects for a geographic information system (computer-based mapping) for the region and state as a whole. Commission staff attended an intensive training program at UNH on the use of new GIS software for microcomputers and recently conducted a survey and analysis of potential public and private sector users who could share the costs and benefits of a geographic information system in our region.

The Nashua Region Solid Waste Planning District continues to move closer to resolution of solid waste issues and a feasibility study for a waste-to-energy plant in Nashua has been completed. Using some of the data and analysis contained in this study, the NRPC completed and updated the Regional Solid Waste District Management Plan and after extensive nation-wide research, prepared a Regional Recycling Plan. The Solid Waste District and NRPC

also sponsored two successful Household Hazardous Waste Collection Days at four different sites in the region to help increase public awareness and provide a means by which residents can dispose of hazardous wastes properly.

This has been a frustrating year for septage planning in the Nashua Area. On the positive side we have secured funding for the construction of a facility to treat septage from the four towns of the Souhegan Landfill District. State and Federal funds earmarked for the project stand at \$495,000. However, the reversal by the present Board of Selectmen of Milford of the previous Milford commitment to allow the Souhegan Landfill District towns to use their grant and other monies to finance an expansion of the Milford Waste Water Treatment Plant has left towns with a grant but no place to use it. Efforts are underway to decide upon an alternative strategy, insure that the Federal and State grant is not lost, and to finally fulfill the septage treatment obligation of the four towns under State law.

The Commission also provides direct technical assistance to the Town of Litchfield. The Litchfield Planning Board is entering its second year of involvement with the Commission's "circuit rider" town planner program. The program allows the Planning Board to engage the services of a full time planner on a part-time basis to assist in the review of development proposals, preparing land use ordinances and regulations, and other planning related tasks. The circuit rider program also provides technical assistance to the Board in preparing planning reports such as the up-dated Capital Improvements Program.

In addition to the circuit rider program, Litchfield may take advantage of the wide range of services available to NRPC member communities including transportation and traffic impact studies, environmental planning, and access to a broad base of information ranging from model ordinances to demographics.

The Nashua Regional Planning Commission looks forward to working with the Town of Litchfield during the coming year.

Nashua Regional Planning
Commission
Robert W. Varney,
Executive Director

TOWN MEETING, MARCH, 1987

ELECTION RESULTS

March 10, 1987

At 7:00 a.m., Moderator Philip M. Reed read the Town and School District voting Warrants and the Zoning and Building Code Ballot in their entirety. He announced that selectmen were in receipt of a valid Protest Petition pursuant to RSA 675:5 concerning Amendments #14, 15, 16, and 17 of the proposed zoning amendments. Because of the petition, #14, 15, 16, and 17 would require a favorable vote of two-thirds ($\frac{2}{3}$) of all voters present and voting on the questions.

The polls were declared open at 7:10 a.m. by Moderator Reed. Polls were declared closed at 7:11 p.m. Results follow:

Names on checklist, opening of day	2,375
Names on checklist, end of day	2,380
Ballots Cast, regular	638
Ballots Cast, absentee	13
Total	651

One ballot received through the mail 03/10/87 could not be counted.

ZONING AND BUILDING CODE BALLOT QUESTIONS

1. Removing housing development signs if not maintained
YES 598 NO 37 Carried
2. Temporary manufactured housing while primary residence destroyed by natural disaster is reconstructed.
YES 532 NO 107 Carried
3. Site plan approval for utility structures.
YES 390 NO 232 Carried
4. Not more than 75% of commercial property to be covered by improvements.
YES 486 NO 115 Carried
5. Height on structures in industrial zone not to exceed 2½ stories if habitable, non-habitable to be set back from line a distance equal to height.
YES 420 NO 203 Carried
6. Floodplain area to comprise no more than 25% of a lot to meet minimum size.
YES 452 NO 156 Carried

7. Grammatical and title changes in maximum growth ordinance.
YES 454 NO 129 Carried
8. Eliminating requirement to pay for building permits at time of application under maximum growth ordinance.
YES 256 NO 353 Defeated
9. Clarify boundaries of residential district.
YES 421 NO 136 Carried
10. Allow recreational uses in residential zone by special exception.
YES 451 NO 176 Carried
11. Wetland areas of 2,000 square feet or more to be considered.
YES 495 NO 110 Carried
12. Provide standards for granting special exceptions in wetlands conservation district.
YES 336 NO 255 Carried
13. No leachfield closer than 100 feet to wetland conservation district area.
YES 500 NO 114 Carried
14. Petition Article, landowner's petition also filed--100 foot residential buffer around industrial districts.
YES 372 NO 260 Defeated; $\frac{2}{3}$ would have been 422
15. Petition Article, landowner's petition also filed--Change to residential part of the existing Industrial District.
YES 211 NO 425 Defeated
16. Petition Article, landowner's petition also filed--No access other than Route 102 (emergency vehicles excepted) from Industrial Zone.
YES 256 NO 379 Defeated
16. Petition Article, landowner's petition also filed--Exclude heavy uses from Industrial Zone.
YES 326 NO 310 Defeated; $\frac{2}{3}$ would have been 424
18. Clustered housing development.
YES 257 NO 393 Defeated
19. Clarify frontage requirements in commercial zone and provide setbacks for automobile storage and repair.
YES 485 NO 117 Carried

BUSINESS PORTION

March 27, 1987

Meeting called or order at 7:35 p.m. by Moderator Philip M. Reed

Present were selectmen M. Patricia Jewett (chairman), Ralph Boehm, and Bertha Mieckowski, Town council Jay Hodes and Stephen Buckley, Administrative Assistant Cecile Durocher, members of the Budget Committee, and approximately 200 voters and observers.

Fire Chief Brent Lemire led the assembly in the Pledge of Allegiance. Moderator Reed read the rules of procedure under which the meeting would operate. By voice vote, citizens approved of allowing non-voters to speak during the course of the meeting.

The meeting was opened to business under Article 1:

1. M. Patricia Jewett MOVED to authorize the selectmen to borrow money in anticipation of taxes. Bertha Mieckowski seconded. Motion carried by voice vote.

Bertha Mieckowski MOVED to authorize the selectmen to apply for, receive and expend federal or state grants which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds; (2) that a public hearing shall be held by the selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b. M. Jewett seconded. Motion carried by voice vote.

3. Ralph Boehm MOVED that the Town rescind Article 4 of the Annual Town Meeting, March 14, 1986, whereby it was resolved to pay the following hourly pay scale for part-time employees effective April 1, 1986: \$4.50-unskilled labor; \$5.00-skilled labor and manual labor; and \$5.25-administrative and high risk labor, and adopt in lieu thereof the following hourly pay scale for part-time and temporary employees effective April 5, 1987: \$5.00-manual-unskilled; \$5.50-clerical and semi-skilled; and \$6.00-high risk. M. Jewett and Richard Lascelles (chairman of Budget Committee) seconded. Ralph Boehm MOVED to amend Article 3 by eliminating the portion beginning "... and to adopt in lieu thereof. . ." and substituting instead the following: "and in lieu thereof the following grade levels of Litchfield Salary Schedule: Grade 1-manual and unskilled; Grade 3-clerical and semi-skilled; Grade 4-high risk." The amendment was seconded by B. Mieckowski and M. Jewett. The amend-

ment CARRIED by voice vote. The main motion, as amended, CARRIED by voice vote.

4. Jewett MOVED that the Town adopt the provisions of RSA 72:37 for the exemption for the blind from property tax. (This had been presented by petition and specified a ballot vote). There were numerous seconds from the floor. M. Jewett proposed to AMEND Article 4 by adding the following wording:

...This statute provides that every inhabitant who is legally blind shall be exempt from the property tax on a residence to the value of \$15,000.

The motion on the amendment was seconded from the floor. Mrs. Jewett explained that town counsel had recommended that the additional wording be added.

The amendment carried by voice vote.

The main motion, as amended, CARRIED by a ballot vote of 48 yes and 8 no.

5. David Roberts (police chief) MOVED that the Town raise and appropriate the sum of \$16,068.00 to purchase and equip one new police cruiser and to authorize the selectmen to withdraw for this purpose \$1,000.48 together with accrued interest from the police cruiser capital reserve fund; and further to authorize the selectmen to raise the balance of \$15,067.52 by taxation. The specifications for and the selection of said vehicle shall be by competitive bidding. That further, the selectmen are authorized to sell the Town cruiser being replaced by the new police cruiser, as they shall determine, and that said sale shall be by sealed bid procedure with the proceeds therefrom to be paid to the Town treasurer. M. Jewett seconded. The motion CARRIED by voice vote.

6. Bertha Mieczkowski MOVED to expand the position of Town Clerk/Tax Collector to a full time position as of April 5, 1987, and to set the rate of compensation for said office in lieu of statutory fees according to the Salary Schedule adopted by the board of selectmen on January 2, 1987. M. Jewett seconded. Motion CARRIED by voice vote.

7. Roland Bergeron (Road Agent) MOVED to raise and appropriate the sum of \$74,000.00 to purchase a dump truck equipped with snow plow and related equipment for the highway department and to authorize the selectmen to withdraw for this purpose \$7,491.29 together with accrued interest from the snow plow capital reserve fund, and to withdraw \$36,265.71 together with accrued interest from the Federal Revenue Sharing Fund; and further to authorize the selectmen to raise the balance of \$30,243.00 of the appropriation by taxation. David Roberts SECONDED.

Warren Adams proposed to amend the article to read as follows: To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to purchase a one ton 4x4 V8 dump truck equipped with automatic transmission, power steering and brakes, a snowplow and sander/salter. Also, to authorize the selectmen to withdraw for this purpose \$10,000.00 from snowplow capital reserve fund and \$15,000 from taxation.

David Roberts questioned the legality of making such a substantial change in the article by amendment. Attorney Hodes replied that the amendment fell within the permissible range. Following considerable discussion. Mr. Adams proposed to AMEND his amendment by changing the funding proposal to the following: \$15,000 to be taken from Revenue Sharing and \$10,000 from taxation.

Richard Lascelles and Michael Mancini seconded. Following further discussion, the amendment to the amendment LOST by voice vote.

Warren Adams proposed a new AMENDMENT specifying that the full \$25,000.00 would be taken from Revenue Sharing Funds. The motion was seconded from the floor. Mr. Adams stated that he really didn't care where the money came from; his primary concern was with the amount of spending.

A voice vote on the amendment to the amendment CARRIED by voice vote.

A voice vote on the now-amended amendment produced uncertain results, and a standing vote was taken.

Yes — 111; No — 50. Amendment CARRIED.

The Moderator said he was in receipt of a valid written request for a ballot vote on Article 7. The request contained eight signatures.

Vote on the Main Motion, as Amended: Ballots cast: 161; Yes — 123; No — 138. Motion CARRIED.

CITATION

Fire Chief Brent Lemire presented Firefighter Timothy Kearns with a citation for bravery in the performance of activities above and beyond the call of duty. The award was in reference to a call for assistance received by the Department on May 16, 1986, when a local child was pinned under an unstable pile of logs. Without regard to his own personal safety, Firefighter Kearns crawled under the log pile to examine the boy and keep him until the stack of wood could be removed.

Chief Lemire noted that, in addition to the Expression of Thanks being given at Town Meeting by the Board of Selectmen and the Fire Chief on

behalf of the Litchfield townspeople, Firefighter Kearns would also be receiving a N. H. Hero Award of 3/31/87 from the Manchester Union Leader.

The assembly gave Firefighter Kearns a standing ovation.

8. M. Jewett MOVED that the Town vote to adopt an ordinance pertaining to the operation of the municipal incinerator and solid waste disposal facility, as follows:

Town of Litchfield Ordinance Pertaining to the Operation of the
Town of Litchfield Municipal Incinerator and Solid Waste Dis-
posal Facility

Pursuant to the authority of RSA 149-M:13, and Article 16 of the 1955 Town Meeting, the Town of Litchfield hereby adopts the following Ordinance for the operation of its Municipal Incinerator and Solid Waste Disposal Facility.

Section 1 Hours of Operation and Admittance to:

A. The Litchfield Municipal Incinerator and Solid Waste Disposal Facility shall be opened for public use during the following days and hours:

Wednesday: 2 p.m. to 6 p.m.
Saturday: 8 a.m. to 4 p.m.
Sunday: 8 a.m. to 12 p.m.

B. Use of the Litchfield Municipal Incinerator and Solid Waste Disposal Facility is limited to residents of the Town of Litchfield and other persons authorized by written permits issued in accordance with the rules and regulations prescribed herein.

1. Any vehicle wishing to gain admission to the Incinerator/Disposal Facility must display a current and validated Litchfield identification sticker.

2. Litchfield identification stickers shall be required for both residents and authorized non-residents.

3. Litchfield identification stickers shall be displayed in the lower left-hand corner of the windshield of the vehicle wishing to gain entrance to the Incinerator/Disposal Facility.

4. Identification stickers may be obtained, without charge to Litchfield residents, from the office of the Town Clerk during regular business hours.

5. No vehicle shall be admitted to the Incinerator/Disposal Facility after October 1, 1980, which does not have an identification sticker displayed in accordance herewith.

Section II. Use of the Municipal Incinerator and Solid Waste Disposal Facility

The following rules are to be strictly followed and enforced. Failure to comply with any rules regarding the Incinerator/Disposal Facility may result in revocation of the Litchfield identification sticker and other penalties as provided in Section VIII.

A. All solid waste delivered to the Incinerator/Disposal Facility shall be separated and placed in the proper bins provided for glass, cans, and burnable waste in accordance herewith.

B. Only the following items may be deposited in the Incinerator:

1. Household refuse
2. Plastic
3. Paper
4. Magazines
5. Clothing
6. Broken-down cardboard

C. All other material brought to the Incinerator/Disposal Facility and which is not specifically excluded herein, shall be separated into the following categories to be deposited in designated containers or locations at the disposal facility and at the direction of the Incinerator/Disposal Facility operator.

1. *Glass*: glass must be separated from other refuse and deposited in appropriately marked bins at the disposal facility. Bins will be provided for brown, green, and clear glass. Labels and covers do not have to be removed from the glass. All glass should be free of food particles and substances other than the labels and caps.

Other glass related products and specifically such items as china, ceramics and light bulbs shall be placed in a separate bin marked for these items.

2. *Tires*: tires including automobile, motorcycle, and bicycle tires removed from the wheel or rim are to be deposited in the area specifically designated for tire disposal.

3. *Lawn and leaf refuse*: lawn clippings and leaf refuse are to be separated from other refuse and deposited in the area specifically designated for lawn and leaf refuse.

4. *Metal refuse*: metal objects including refrigerators, stoves, and other junk metals shall be deposited in the area specifically designated for metal refuse.

5. *Branches*: branches and brush with a diameter of four (4) inches or less are to be deposited in the area specifically designated for branches and brush.

6. *Aluminum refuse*: aluminum cans shall be deposited in containers specifically designated for aluminum cans, and all other aluminum items shall be deposited in the area specifically designated for disposal of metal items.

D. Unacceptable materials: the following materials will not be accepted at the Incinerator/Disposal Facility.

1. *Bulk items*: no car bodies, engines, tree stumps, and construction materials will be accepted at the Incinerator/Disposal Facility.

2. *Hazardous wastes and explosives*: no harmful, hazardous or toxic substance or explosive material may be deposited in the Incinerator/Disposal Facility.

3. *Industrial Waste and miscellaneous*: any industrial waste including any waste from any process or industry, manufacturing, trade or business or any material which in the opinion of the Incinerator/Disposal Facility operator constituting a serious hazard to other users of the facility, to the property of the Town, or to the operation of the Incinerator/Disposal Facility will not be accepted at the Incinerator/Disposal Facility. Any such waste falling within the above category, if compatible with the other rules and regulations contained herein, may be disposed of by special arrangements only and with prior approval by the Incinerator/Disposal Facility operator.

Section III. Commercial and Household Compactors

Persons or industries using household compactors must separate all refuse, glass, metal, aluminum cans and other objects in accordance with the regulations promulgated herein, before depositing any material in the Incinerator/Disposal Facility.

Section IV. Commercial and Industrial Haulers

A. A commercial hauler shall mean anyone who hauls materials to the Incinerator/Disposal Facility for others for a fee or as part of an industrial disposal system for any industry located within the Town of Litchfield.

B. Commercial collectors and haulers of rubbish and refuse shall be responsible for the separation and proper placement of rubbish at the incinerator in accordance with the rules and regulations promulgated herein.

C. Commercial haulers and collectors shall deliver only separated materials to the Incinerator/Disposal Facility on Wednesdays between the hours of 2 p.m. and 6 p.m.

D. Only materials collected within the Town of Litchfield may be deposited at the Incinerator/Disposal Facility.

E. Commercial haulers or collectors must obtain a Town of Litchfield identification sticker and shall pay a fee for each load of rubbish and refuse deposited at the Incinerator/Disposal Facility in accordance with the following schedule:

1. \$1.00 per cubic yard compacted.

2. \$.50 per cubic yard non-compacted refuse.

3. Commercial haulers and collectors fees shall be determined by the total gross carrying weight of the vehicle delivering the refuse to the Incinerator/Disposal Facility. No credit shall be applied for partial loads.

4. The Board of Selectmen shall have the authority to set and adjust the commercial haulers and collectors fees to absorb any increase in operating cost which is attributable to the disposal and incineration of rubbish and refuse deposited at the facility by commercial haulers and collectors.

Section V. Transportation and Origin.

A. All trash and rubbish transported to the Incinerator/Disposal Facility must be in closed containers, or enclosed within the transporting vehicle, or covered securely within the transporting vehicle.

B. Only material collected within the limits of the Town of Litchfield or such other Towns as approved by the Selectmen, shall be disposed of at the Litchfield Incinerator/Disposal Facility.

Section VI. Supervision and Operation.

A. The Incinerator/Disposal Facility operator shall have the right to refuse the use of the facility to any citizen, corporation or other entity who is misusing said facility.

B. The Incinerator/Disposal Facility operator shall have control over the operation of the Incinerator/Disposal Facility and is authorized to direct the placement of waste and rubbish to facilitate the proper functioning of the Incinerator/Disposal Facility.

C. The drinking of alcoholic beverages is prohibited at the Incinerator/Disposal Facility or upon Town land surrounding said Incinerator/Disposal Facility.

D. No unauthorized person shall be allowed in the Incinerator building and/or offices other than the operator, staff and other authorized persons.

E. No burning shall be allowed at the Incinerator/Disposal Facility except at the direction and supervision of the District Fire Warden and the Incinerator/Disposal Facility operator.

Section VII. Trespass.

A. Security gates will be locked at all times when the Incinerator/Disposal Facility is not open to the public. Anyone entering the Incinerator/Disposal Facility when the gate is locked will be guilty of trespass and shall be charged with violating the terms of this Ordinance as well as other applicable state statutes.

Section VIII. Penalties.

A. Any person or corporation convicted of violating any provision of this Ordinance including any person found to be trespassing upon or vandalizing at the Incinerator/Disposal Facility may be punished by a fine not to exceed \$100.00 for each violation. In addition, any person found to be in violation of this Ordinance, a directive of the Incinerator/Disposal Facility operator, or other state statute, shall be subject to criminal and civil prosecution in accordance with said state statute.

B. Any person or corporation leaving trash, refuse or other material outside the gate of the Incinerator/Disposal Facility or depositing such items along the Town of Litchfield roads shall be fined at a rate established by state statutes and prosecuted in accordance with criminal statutes applicable thereto.

Section IX. Separability and Effective Date.

A. The invalidity of provision of this Ordinance shall not affect the validity of any other provision nor the validity of the Ordinance as a whole.

B. This Ordinance shall automatically repeal any other Ordinance that is in conflict with this Ordinance. This Ordinance shall take effect immediately upon passage.

The motion was SECONDED from the floor and CARRIED on a voice vote.

9. Ralph Boehm MOVED that the Town vote to recognize the following roads as dedicated to public use and hereby accept as Public Highways for the Town of Litchfield:

Harvest Way

Pheasant Street

Mayflower Drive

Standish Circle

Albuquerque Avenue from Stark Lane to Pinecrest Road

Pilgrim Drive from Page Road to Harvest Way.

M. Jewett and B. Mieckowski SECONDED. Motion CARRIED by voice vote.

10. Brent Lemire MOVED that the Town vote to raise and appropriate the

sum of \$20,000.00 for the purpose of refurbishing the 1975 Pierce 1000 gallon per minute fire fighting pumper. Such refurbishing shall include, but not be limited to, the installation of a new water tank, repairing leaking valves, rust repair, re-painting, and undercoating.

There were numerous seconds from the floor. Brent Lemire MOVED that the article be amended to a figure of \$24,000. Motion was SECONDED from the floor.

Following discussion, the moderator declared that a voice vote showed the amendment defeated. Asked for a standing vote, the moderator asked those in favor of the amendment to stand. The count was 68. Those standing to vote against the amendment numbered 87. The motion LOST on a standing vote. The Main Motion, as originally proposed, CARRIED by voice vote.

11. Bertha Miecowski MOVED that the Town vote to authorize the Selectmen to exchange a certain tract of Town-owned land, containing 7.006 acres known as Tax Map 5, Lot 70, located near the intersection of Page Road and Cutler Road, for a tract of land of equal acreage owned by Richard Rodonis located on Cutler Road, south of Rotterdam Drive. The parcel to be received by the Town will be created through subdivision of a parcel of land known as Tax Map 2, Lot 44. Provided however, that said exchange of land shall be conditioned upon approval of the subdivision of Tax Map 2, Lot 44 in accordance with a plan approved by the Town of Litchfield Planning Board.

There were several seconds from the floor. Bertha Miecowski MOVED that the Article as read from the Town Report be AMENDED by replacing the references to Tax Map 2 with references to Tax Map 9, as had been correctly specified in the posted WARRANT. M. Jewett SECONDED. Motion CARRIED on a voice vote. The Main Motion, as amended, CARRIED by voice vote.

12. David Roberts MOVED that the Town vote to hire two additional full-time police officers effective April 5, 1987 at an annual salary of \$16,683.00 and to raise and appropriate the sum of \$30,483.00 for salaries and related costs for the period of April 5, 1987 to December 31, 1987.

Motion was SECONDED from the floor. Chief Roberts presented a Report, complete with charts, on the 1986 police department activities.

Following discussion, the motion CARRIED by voice vote.

13. M. Jewett MOVED that the Town vote to amend Section I of the Burial Ordinance adopted as Article 11 at the March 11, 1983 Annual Town Meeting by deleting the cemetery situated to the rear of the Litchfield Community Church as an allowable burial site within the Town of Litchfield. That

said section, upon adoption of this amendment, shall provide as follows:

Section I. No person shall bury, or cause to be buried, a deceased human body, or in any manner, aid or assist in the burial of the deceased body of any human being, within the Town of Litchfield, except in Hillcrest Cemetery, Pinecrest Cemetery, or to any other cemetery hereafter laid out by the Town of Litchfield. The burial of deceased persons in other than such cemeteries is hereby declared to be a nuisance and dangerous to public health.

Bertha Mieckowski seconded. Motion CARRIED by voice vote.

SEMI-ANNUAL PROPERTY TAX COLLECTION

M. Jewett asked for an informal vote to gauge the sentiment of the voters concerning semi-annual collection of property taxes. A show of hands indicated a majority of those present would prefer to keep annual tax collection.

14. Bertha Mieckowski MOVED that the Town vote to raise and appropriate the sum of \$90,000.00 for the purpose of conducting a revaluation of the properties within the Town by a private firm qualified to provide such evaluations in accordance with the rules and procedures of the State of New Hampshire Department of Revenue Administration. M. Jewett SECONDED.

Rina Petit spoke for the advisory committee which had been appointed by the board of selectmen to conduct a one-year study of the feasibility of having Town properties reassessed.

Following discussion, Ralph Boehm MOVED that the article be amended to provide that such revaluation be conducted by a private firm *or a State Agency* qualified to provide such evaluations. . . . The Amendment was seconded from the floor. The amendment CARRIED by voice vote. The main motion, as amended, CARRIED by voice vote.

15. Bertha Mieckowski MOVED to adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax. M. Jewett SECONDED. Following brief discussion, the Article CARRIED by voice vote.

16. Roland Bergeron MOVED that the Town vote to raise and appropriate the sum of \$98,540.00 to reconstruct Colby Road and to authorize a set off of \$65,000.00 against this appropriation by the use of Highway Block Grant Aid and further authorize the Selectmen to raise the balance of \$33,540.00 of the appropriation by taxation. B. Mieckowski SECONDED.

Following considerable discussion indicating that citizens want Colby Road to be a top priority project for 1987, the motion CARRIED by voice vote.

17. Glenn McKibben MOVED that the town vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Litchfield, N. H. unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual Town Meeting by written ballot. The motion was SECONDED from the floor. Following discussion, the motion CARRIED by voice vote.

18. Richard Lascelles MOVED that the Town raise and appropriate the sum of \$40,000.00 to install a heating/ventilation system, a septic system, plumbing, electric wiring, lights and windows, and to construct a new entrance to the Edward Roy Memorial Park building at Darrah Pond. Bertha Mieczkowski seconded. Following discussion, the motion CARRIED by voice vote.

19. Roland Bergeron MOVED that the Town raise and appropriate the sum of \$25,000.00 to engineer and design the relocation of the westerly end of Pinecrest Road at Route 3A. David Roberts SECONDED the motion. It CARRIED by voice vote.

20. Richard Lascelles MOVED that the Town raise and appropriate \$940,292.00 to defray Town charges for the ensuing year and to make appropriations of the same, as set forth, posted herewith and to consider each item in whole or in part. M. Jewett SECONDED the motion.

Richard Lascelles MOVED to amend the Budget Committee's recommended appropriation for the Fire Department from \$58,811.00 to \$61,751.00. There were numerous seconds from the floor. The Amendment CARRIED by voice vote.

It was pointed out that a typographical error under the Police Department showed \$16,683.00 rather than the correct \$30,483.00 for Police Officer Hirings. The correct figure had already been approved under Warrant Article #12, where the correct figure had been used.

Richard Lascelles MOVED to amend the figure for Town Maintenance by adding \$32,000 to its \$176,230.00; the new figure would then become \$208,230.00. The motion was SECONDED from the floor. Motion CARRIED by voice vote.

Glenn McKibben MOVED that \$100.00 be added to the conservation Commission's proposed \$1,451.00, creating a new figure of \$1,551.00. The motion was SECONDED from the floor. Motion CARRIED by voice vote.

Richard Lascelles reported that the new bottom-line budget figure, with amendments just passed, resulted in a figure of \$975,332.00 for the Main Motion. The Main Motion, as amended, CARRIED by voice vote.

21. The Moderator inquired of the Assembly whether they wished to dispense with the reading of the previous year's Annual Meeting minutes. By acclamation, the citizens opted to forego the reading. (Minutes were printed in the Annual Reports available to all citizens.) The Motion was made by Bertha Mieckowski, seconded by just about everybody in the hall, and CARRIED by voice vote.

Rina Petit MOVED that the Town pass a non-binding Resolution authorizing the selectmen to appoint an Advisory Committee of Litchfield residents to study possible ways to preserve Litchfield's farmland and to report to Town Meeting, 1988, on its findings and recommendations. The Motion had numerous SECONDS. Motion CARRIED by voice vote.

There were several citizens simultaneously MOVING to adjourn, and numerous SECONDS from the floor. Motion CARRIED by voice vote.

A true record of Town Meeting action, attest:

Diane Jerry,
Town Clerk

LITCHFIELD VOTING WARRANT

March 8, 1988

The State of New Hampshire

To the inhabitants of the School District of the Town of Litchfield in the County of Hillsborough and the State of New Hampshire, qualified to vote upon district affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID DISTRICT ON TUESDAY, THE 8th DAY OF MARCH, 1988, AT 7:00 O'CLOCK IN THE FORENOON TO ACT UPON THE FOLLOWING QUESTIONS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Member of the School Board for the ensuing three years.
5. To choose a Member of the School Board for the ensuing year.
6. To choose a Treasurer for the ensuing year.

POLLS WILL BE OPEN FROM 7:00 A.M. AND WILL CLOSE NO EARLIER THAN 7:00 P.M.

GIVEN UNDER OUR HANDS AT SAID LITCHFIELD THIS 17th DAY OF FEBRUARY, 1988.

Ellen-Ann Robinson
Gerard H. Paradis
Kathleen A. McClaskey
Elaine N. Vaillancourt
John Pierog

**LITCHFIELD
SCHOOL DISTRICT WARRANT
March 18, 1988**

To the inhabitants of the School District in the Town of Litchfield, New Hampshire, qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID DISTRICT ON THE 18TH DAY OF MARCH 1988 AT 7:30 P.M. TO ACT UPON THE FOLLOWING SUBJECTS:

ARTICLE I

To see what sum of money the District will vote to raise and appropriate to fund those cost items relating to additional salaries and benefits granted to teachers under the collective bargaining agreement with the Litchfield Education Association.

ARTICLE II

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of statutory obligations of the District, and for the payment of salaries and benefits for school district officials and agents excluding those items raised under Article I.

ARTICLE III

To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, Federal and other governmental unit or a private source which becomes available during the 1988-89 school fiscal year provided that such expenditure be made for the purpose for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

ARTICLE IV

To hear the reports of Agents, Committees or Officers chosen, and pass any vote relating thereto.

ARTICLE V

To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID LITCHFIELD ON THIS 2nd
DAY OF MARCH 1988.

Ellen Ann Robinson
Gerard H. Paradis
Elaine N. Vaillancourt
Kathleen A. McClaskey
John Pierog

NOTES:

1. Article I contingent on agreement with teachers.

Auditor's Report on Financial Presentation

To the Members of the School Board

Litchfield School District

Litchfield, New Hampshire

We have examined the general purpose financial statements of the Litchfield School District as of and for the year ended June 30, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Litchfield School District at June 30, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Litchfield School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements, and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

**Auditor's Report on Internal Controls (Accounting and
Administrative)—Based on a Study and Evaluation Made as a Part of
an Examination of the General Purpose Financial Statements and
the Additional Tests Required by the Single Audit Act**

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the general purpose financial statements of the Litchfield School District for the year ended June 30, 1987, and have issued our report thereon dated August 3, 1987. As part of our examination, we made a study and evaluation of the internal control systems, including applicable internal administrative controls, used in administering Federal financial assistance programs to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards, the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office, the Single Audit Act of 1984, and the provisions of OMB Circular A-128, *Audits of State and Local Governments*. For the purpose of this report, we have classified the significant internal accounting and administrative controls used in administering Federal financial assistance programs in the following categories:

Accounting Controls

- Budgeting Cycle
- Payroll Cycle
- Expenditure (other than payroll) Cycle
- Data Processing Cycle
- Revenue Cycle
- Financial Reporting Cycle

Controls Used in Administering Federal Programs

- Political Activity
- Civil Rights
- Cash Management
- Relocation Assistance and Real Property Acquisition
- Federal Financial Reports

The management of the Litchfield School District is responsible for

establishing and maintaining internal control systems used in administering Federal financial assistance programs. In fulfilling that responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of internal control systems used in administering Federal financial assistance programs are to provide management with reasonable, but not absolute, assurance that, with respect to Federal financial assistance programs, resource use is consistent with laws, regulations, and policies; resources are safeguarded against waste, loss and misuse; and reliable data are obtained, maintained, and fairly disclosed in reports.

Because of inherent limitations in any system of internal accounting and administrative controls used in administering Federal financial assistance programs, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the systems to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study included all of the applicable control categories listed in the first paragraph. Such study and evaluation included the significant internal accounting and administrative controls used in administering the following non-major Federal financial assistance programs:

Department of Education

Public Law 94-142

Department of Agriculture

National School Lunch Program

During the year ended June 30, 1987, the Litchfield School District expended 100% of its Federal financial assistance under these nonmajor Federal financial assistance programs.

With respect to internal control systems used in administering these non-major Federal financial assistance programs, our study and evaluation included considering the types of errors and irregularities that could occur, determining the internal control procedures that should prevent or detect such errors and irregularities, determining whether the necessary procedures are prescribed and are being followed satisfactorily, and evaluating any weaknesses.

Our study and evaluation was more limited than would be necessary to express an opinion on the internal control systems used in administering the Federal financial assistance programs of the Litchfield School District. Accordingly, we do not express an opinion on the internal control systems used

in administering the Federal financial assistance programs of the Litchfield School District.

However, our study and evaluation and our examination disclosed no condition that we believe to be a material weakness in relation to a Federal financial assistance program.

This report is intended solely for the use of management and the applicable state and Federal agencies and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the Litchfield School District, is a matter of public record.

**Auditor's Report on Compliance with Laws and Regulations Related
to Nonmajor Federal Financial Assistance Programs in Circumstances
in Which the Recipient Received No Major Program Funding**

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the general purpose financial statements of the Litchfield School District for the year ended June 30, 1987, and have issued our report thereon dated August 3, 1987. Our examination was made in accordance with generally accepted auditing standards; the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations; Programs, Activities, and Functions*, issued by the U.S. General Accounting Office; the Single Audit Act of 1984; the provisions of OMB Circular A-128, *Audits of State and Local Governments*; and the *Code of Federal Regulations* 34 CFR 74.62, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The management of the Litchfield School District is responsible for the School District's compliance with laws and regulations. In connection with the examination referred to above, we selected and tested transactions and records from nonmajor Federal financial assistance programs to determine the School District's compliance with laws and regulations, noncompliance with which we believe could have a material effect on the allowability of program expenditures.

The results of our tests indicate that, for the transactions and records tested, the Litchfield School District complied with the laws and regulations referred to above. Our testing was more limited than would be necessary to express an opinion on whether the Litchfield School District administered these programs in compliance in all material respects with laws and regulations, noncompliance with which we believe could have a material effect on the allowability of program expenditures; however, with respect to the transactions that were not tested by us, nothing came to our attention to indicate that the Litchfield School District had violated laws and regulations

**Auditor's Report on Supplementary Information
Schedule of Federal Financial Assistance**

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the general purpose financial statements of the Litchfield School District for the year ended June 30, 1987, and have issued our report thereon dated August 3, 1987. Our examination of such general purpose financial statements was made in accordance with generally accepted auditing standards and the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required part of the general purpose financial statements. The information in that schedule has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

LITCHFIELD SCHOOL DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 1987

NOTE 1—Summary of Significant Accounting Policies

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Fund Accounting

The accounts of the School District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the School District:

GOVERNMENTAL FUNDS

GENERAL FUND—The General Fund is the general operating fund of the School District. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

SPECIAL REVENUE FUNDS—Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are the Food Service and Federal/State Projects Funds.

CAPITAL PROJECTS FUNDS—Transactions related to resources obtained and used for the acquisition, construction or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds.

FIDUCIARY FUNDS

AGENCY FUNDS—Agency Funds are used to account for the assets held as an agent by the School District for others. The Student Activities Funds are shown in this fund type.

B. Account Groups (Fixed Assets and Long-Term Liabilities)

All governmental funds are accounted for on a spending or “financial flow” measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of “available spendable resources.” Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the School District does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-Term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue, and Capital Projects Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the School District when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. Agency Funds are accounted for using the accrual basis of accounting.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in

budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the School District's operations. State Statutes require balanced budgets and the use of beginning general fund unreserved fund balance to reduce District assessments. In 1986-87, the beginning fund balance was applied as follows:

Unreserved Fund Balance Used	
To Reduce District Assessment	\$ 24,366
Beginning Fund Balance—	
Reserved for Encumbrances	<u>5,743</u>
Total Use of Beginning Fund Balance	<u>\$ 30,109</u>

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at June 30, 1987 and are carried forward to supplement appropriations of the subsequent year.

The reserve for encumbrances at June 30 consists of the following:

General Fund	
Special Education	\$ 4,789
Psychological	3,180
Operation and Maintenance of Plant	<u>12,000</u>
	<u>\$ 19,969</u>

F. Cash and Investments

At year end, the carrying amount of the District's deposits was \$3,800,561 and the bank balance was \$3,840,071. Of the bank balance, \$106,242 was covered by Federal depository insurance and \$3,733,829 was uninsured. State Statutes authorize the District to invest excess funds in the custody of the Treasurer, in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, or in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this state or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

G. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Teachers may accumulate up to 125 days sick leave at a rate of 15 days per year.

Vacation is granted in varying amounts based on length of service for employees other than teachers. Vacation pay accumulation does not exceed a normal year's allowance. Estimated value of sick leave is \$164,901.

H. Interfund Transactions

During the course of normal operations, the School District has transactions between funds, including expenditures and transfers of resources to provide services. The accompanying governmental fund financial statements reflect such transactions as transfers.

I. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at June 30, 1987 were as follows:

Fund	Interfund Receivables	Interfund Payables
General Fund	\$ 2,474	\$ 3,590
Special Revenue Funds		
Federal Projects Fund		828
Food Service Fund	3,500	1,646
Capital Projects Fund	90	
Totals	<u>\$ 6,064</u>	<u>\$ 6,064</u>

J. Inventories

Inventory in the General and Special Revenue Funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

NOTE 2—Changes in Long-term Debt

The following is a summary of long-term debt transactions of the School District for the fiscal year ended June 30, 1987.

	General Obligation Debt
Long-Term Debt Payable July 1, 1986	\$ 320,000
New Debt Incurred	3,850,000
Long-Term Debt Retired	<u>(165,000)</u>
Long-Term Debt Payable June 30, 1987	<u>\$ 4,005,000</u>

Long-term debt payable at June 30, 1987 is comprised of the following individual issues:

General Obligation Debt

\$230,000 1972 Elementary School Addition
Bonds (State Guaranteed) due in annual installments of \$15,000 through April 1, 1986 and \$10,000 through April 1, 1988; interest at 4.50%

\$ 5,000

\$80,000 1972 Elementary School Addition Bonds due in annual installments of \$5,000 through April 1, 1988; interest at 5.20%	5,000
\$285,000 1977 Griffin Memorial Addition Bonds due in annual installments of \$25,000 through November 1, 1986 and \$20,000 through November 1, 1989; interest at 4.90%	65,000
\$845,000 1977 Griffin Memorial Addition Bonds (State Guaranteed) due in annual installments of \$85,000 through November 1, 1986 and \$80,000 through November 1, 1987; interest at 4.40%	80,000
\$3,850,000 1986 School Building Bonds due in annual installments of \$250,000 through July 15, 2001 and \$100,000 through July 15, 2002; interest at 7.20% and 7.30%	<u>3,850,000</u>
Total	<u>\$ 4,005,000</u>

The annual requirements to amortize all debt outstanding as of June 30, 1987, including interest payments, are as follows:

Annual Requirements To Amortize Long-Term Debt			
Fiscal Year Ending	General Obligation Debt		
	Principal	Interest	Total
June 30			
1988	\$ 365,000	\$ 273,845	\$ 638,845
1989	270,000	252,395	522,395
1990	270,000	233,415	503,415
1991	250,000	214,925	464,925
1992	250,000	196,925	446,925
1993–2003	<u>2,600,000</u>	<u>982,087</u>	<u>3,582,087</u>
Totals	<u>\$ 4,005,000</u>	<u>\$ 2,153,592</u>	<u>\$ 6,158,592</u>

All debt is general obligation debt of the School District, which is backed by its full faith and credit.

NOTE 3—Defined Benefit Pension Plan

All Litchfield School District full-time employees participate in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for employees covered by the system for the year ended June 30, 1987 was \$956,962.

All District full-time employees are eligible to participate in the system.

Employees who retire before age 65 are entitled to a retirement benefit equal to approximately fifty percent of the employee's average final compensation. After attainment of age 65, the payment by the Retirement System is reduced by the amount of the individual's Social Security entitlement payments. The system also provides death and disability benefits, which are established by State Statute.

Covered employees are required by State Statute to contribute 4.6% of their salary to the plan. The School District is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1983. These contributions represented .77% for teachers and 1.21% for all other employees. The contribution requirements for the year ended June 30, 1987 were \$51,846, which consisted of \$7,826 from the School District and \$44,020 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1985 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$465,985,000. The system's net assets available for benefits on that date (valued at market) were \$520,224,785, leaving no unfunded pension benefit obligation. The percentage that the Litchfield School District has in relation to the entire plan cannot be determined.

CHAIRMAN'S REPORT

To The Citizens of Litchfield:

The 1987-1988 School Year as well as the past year have been challenging years for the School Board. The Board received the resignation of Angela Fitzsimmons, due to her husband's transfer to New York, in May of 1987 and after interviewing three candidates the Board appointed John Pierog in June.

A major responsibility of the Board for the past two years has been the construction of our new middle school. The construction of the new school has produced problems at times although I am happy to report that it is nearly complete and the Board hopes to have students in the building by May 1st. I would take this opportunity to thank Maple Leaf Construction for their fine work and our Clerk of Works, Eugene Taut, for all of his efforts on behalf of the district.

The Board is appreciative of the support of the citizens of Litchfield. When the bond issue for the new school passed by nearly 80% of the vote in March of 1986, we began to plan for the new and continued programs that were supported by the voters when the new school was approved. A major component of our proposed budget for the 88-89 school year is the additional staff needed to put new and continued programs in place in the middle school. Those staff positions will also be the first step in meeting the new Elementary Standards established by the New Hampshire Department of Education. The additional staff positions we have proposed for the new Middle School for new programs and classrooms are two new positions, one in Home Economics and one in Industrial Arts. Also, to continue existing programs, additional staff are needed in Art, Music, Physical Education, and Reading. We are also proposing to hire two library aides to assist in operating both libraries which will allow our existing librarian to oversee the operation in Griffin Memorial and the new middle school. We opened school this year with a population of 667, 21 students over the previous year, so it became necessary to add two new teaching positions, one in first grade and one in the lower grades, and we will need an additional second grade teacher and an additional fourth grade teacher. With enrollment this year in grades 1-5 of 460 students and projections for next year of 491 students, the Board has proposed those additional positions.

The Board spent many hours this year reviewing the school entrance age issue; that is at what age should children be allowed to start first grade? State law requires that any child born prior to September 30 must start school, and further, that any child born between October 1 and December 31 may start school. Some school districts do not allow children born between Oc-

tober 1 and December 31 to start school and other school districts do allow those children to attend at parental option. A committee has been established to review this issue as it effects Litchfield children.

The issue of Kindergarten has also been reviewed by the Board this year. We received the report of the Kindergarten Committee as well as held a public hearing on the issue. There was very strong support at the public hearing, which was well attended, to establish a public Kindergarten program in Litchfield. The Kindergarten Committee also conducted a telephone survey, the results of which also supported establishment of a public Kindergarten program. The Board has voted to support public Kindergarten but it will take at least a year to develop a program to present to the voters.

The Board has been negotiating with the Litchfield Teachers Association since early fall, however, at this time there has been no agreement between the two parties. The Board hopes that an agreement will have been reached prior to School District Meeting.

The Board supports the Town and State efforts to improve Pinecrest Road and the intersection of Pinecrest Road and Route 3A. Pinecrest Road and the intersection has long been hazardous but the need to make improvements became increasingly necessary with the intersection of the new school road.

We appreciate parental involvement with our school and wish to thank the School Volunteers, the PTO, and the Booster Club for their dedication and commitment to our school.

We are fortunate to have a fine teaching staff. Their dedication to our students is outstanding. We must also express our appreciation to our building and central administration for their fine work. I would also like to welcome our new principal, Dr. Linda Kemper, to our school. Dr. Kemper will be a real asset to us in the coming months and years. I would like to thank Mark Genovesi, our principal at Griffin Memorial, who left us to become the assistant superintendent in Keene.

In closing, the Board has a responsibility to the children of Litchfield as well as to the taxpayers. When we propose something in the budget we do so based on the needs of the children in the town. They leave here after eighth grade and must be able to compete with the children from other communities. We would not be doing our job if we did not propose to you what is needed to help our children compete and stay in school.

Respectfully submitted,
Ellen-Ann Robinson
Chairman
Litchfield School Board

REPORT OF THE SUPERINTENDENT

To the Litchfield Board of Education:

The following paragraphs constitute my annual report as Superintendent of Schools.

In submitting this report I will attempt to review the highlights of the past year, particularly our annual goals and objectives, as well as a look at current and future issues.

Our number one goal over the past year was to revise and update our Computer Education Curriculum. Our Computer Education Committee, under the chairmanship of Dr. Barbara Stone, Principal of the Hudson Memorial School, presented the Computer Curriculum to the Litchfield Board of Education for adoption on August 19th. The new curriculum is in use throughout the Litchfield School District and addresses curriculum needs for students throughout the eight grades and at Alvirne High School where most of our students attend high school.

Another goal in effect over the past year was "To Investigate the Feasibility of Implementing a Kindergarten Program." In April of 1987 the Litchfield Board of Education appointed a Kindergarten Study Committee composed of staff members from the Griffin Memorial School, several parents, a Board member, a private Kindergarten Director and the Asst. Supt. of Schools. Before completing their report to the Board the Committee held a public hearing on November 10th. That hearing was attended by over 100 residents who expressed overwhelming support for Kindergarten. The Kindergarten Study Committee presented their report to the Litchfield Board of Education and on December 16th the Board voted to implement Kindergarten in September of 1989.

The Language Arts Curriculum was the subject of another goal over the past year. A committee representing all grade levels met during the summer to review the Language Arts Curriculum and have completed a new Curriculum Guide that is presently under consideration by the Board.

Another exciting new goal during the current year has involved a project to initiate a Program of Inservice Education designed to develop improved teaching strategies throughout our instructional staff. This program is intended to help teachers expand their repertoire of teaching strategies to better meet student needs and curriculum objectives and to develop a conscious connection among strategies, learning styles and curriculum goals.

This is a comprehensive and continuous inservice program with follow

up supervision as opposed to the usual one day “hit and run” approach. The program is designed to develop a cadre of teachers who will actually become trainers and be capable of working with additional teachers until the entire staff will have had the opportunity to participate and benefit from this program. We are currently using the services of the nationally renowned firm of Hanson, Silver and Strong. This firm is active in a number of school systems throughout the country and regularly conducts seminars for the American Association of Supervision and Curriculum Development.

As of this writing, progress on the new Middle School is moving along at an accelerated pace. The building which sits atop a knoll at the end of the new road off Pinecrest Road is very well designed aesthetically and is indeed a credit to the community. The interior of the building is educationally very sound with adequate and very functional space for an up to date middle school program. The building is designed to accept an addition in the future with core facilities designed for a student body of 400 students. We expect to occupy the building in the Spring with the 1988-89 academic year being the first full year in the new building.

Although a functional and educationally sound environment is an important ingredient in the overall educational process, the success or failure of a program depends heavily on the teachers and administrators. We have been very fortunate in recent months to hire two outstanding educators to serve as principals of the two buildings.

Mr. Martin Schlichter has served as Assistant Principal of the Griffin Memorial School for the last two years. During that period of time Mr. Schlichter has demonstrated outstanding leadership abilities and has quickly gained the respect of students, staff and the general public. Mr. Schlichter will serve as the Principal of the new building.

With Mr. Genovesi's recent appointment as Asst. Superintendent of Schools in Keene we found it necessary to look for a new primary principal at a very difficult time of the year. We were exceedingly fortunate to retain the services of Dr. Linda Kemper to head up the Griffin Memorial School. Dr. Kemper comes to us with a wealth of successful educational experience having taught each of Grades 2 through 5 as well as Special Education. She has also served as a highly successful elementary principal in Bedford, Mass. and Goffstown, N.H. Dr. Kemper's interest in Litchfield is a credit to the community.

Adequate state funding for education continues to be a major concern. Statewide we continue to rank 50th in the nation in state aid to education with about 7% of our support coming from the state while the 49th state in ranking of state support receives about 24% of their support from the state. On the average, most states support education at about the level of 50% of the total cost. This inequity places an undue burden on property taxpayers, particularly in communities such as Litchfield. Our community serves as “gateway” to the vibrant economy of southern N. H. but has very little taxable property without an industrial base. Something must be done at the state level to remedy this inequitable situation.

In closing, I would like to extend my appreciation to the entire community of Litchfield for their continued and unselfish support of education, and thank the Board of Education, staff and Central Office personnel for their commitment to a quality educational program.

Respectfully submitted,

Peter G. Dollof
Superintendent of Schools

REPORT OF THE PRINCIPAL OF THE GRIFFIN MEMORIAL SCHOOL

Mr. Peter Dolloff
Superintendent of Schools
Memorial Drive
Hudson, N. H. 03051

Dear Mr. Dolloff:

It is with pleasure that I submit my first Principal's Report to you. Griffin Memorial School has been a very busy place this year. The departure of Mr. Genovesi, who was named Assistant Superintendent of Schools in Keene, the addition of two new staff positions, and the ongoing construction of the new middle school has kept life very interesting for all of us working at Griffin Memorial School. With all of this activity going on our dedicated, caring and capable staff continues to meet the needs of the children of Litchfield.

The present facility is being quite taxed. Our current enrollment of 672 students has us literally bulging at the seams. We are all very anxious for the new middle school to open. Construction is continuing and we look forward to moving grades 6, 7, and 8 in the early spring. All of our staff in grades 6-8 have been involved in learning about middle schools so we can fully implement a middle school program in September. School visitations, workshops, and conferences are just some of the activities the staff has been participating in.

The addition of a fifth first grade position and a fourth third grade position made it necessary to reorganize the present school facility. The staff cooperated and adjusted well to the room changes that had to be made.

New programs are being explored and implemented to meet the needs of the students at all grade levels. The primary team has been involved with "Math Their Way" and "The Young Authors Program." The entire school has been involved with "The Writing Process" and has spent much time in language mechanics and math computation. A new computer curriculum and language arts curriculum are in the process of being implemented. I am pleased to say that our staff does a tremendous job providing the best possible program for the children.

I would like to extend my appreciation to the many parents who have been so helpful and supportive of the school. The P.T.O. Executive Board has been a positive force in supporting all school programs. Their involvement in our school is essential if community support is to continue for our educational program.

I would also like to thank the Police Department, Fire Department, Junior Women's Organization, Booster Club, Jaycees, and Parks and Recreation Committee for their commitment to our school. Finally, I thank the School Board for their hard work and support. They really have the best interest of the students at heart when they make a decision.

Many changes and challenges face our school system in the very near future. The citizens of Litchfield have and hopefully will continue to support us in all our educational endeavors. It is our responsibility to make sure that each child be given the opportunity to succeed and reach their potential. I look forward to serving you and the District as Principal of the new middle school.

Respectfully Submitted,

Martin Schlichter
Principal

GRIFFIN MEMORIAL SCHOOL
LITCHFIELD, NEW HAMPSHIRE
ANNUAL SCHOOL HEALTH REPORT

		\$52,700.00

ANNUAL MEETING
LITCHFIELD SCHOOL DISTRICT

March 20, 1987

Time: 7:35 PM

Place: Gymnasium, Griffin Memorial School

Present: Stephen N. Robinson, Moderator, presiding (appointed for this meeting by Moderator Philip Reed); School Board members Ellen-Ann Robinson (Chairman), Thomas Carroll, Angela Fitzsimmons, and Gerard H. Paradis. Superintendent of Schools Peter Dolloff; Assistant Superintendent Larry Burton; Supervisory Union Business Manager Richard O'Shea; School District Counsel Attorney Barbara Loughman; Griffin Memorial School Principal Mark Genovesi; Assistant Principal Martin Schlichter; Litchfield Budget Committee Richard Lascelles (Chairman), Ralph Boehm, Philip Cudmore, M. Patricia Jewett (Selectmen Rep.), Michael McCarthy, James Toland. Approximately ninety voters and observers.

Principal Mark Genovesi led the assembly in the Pledge of Allegiance.

Moderator Robinson introduced the newly elected School Board members Kathleen McClaskey, Ellen-Ann Robinson, and Elaine Vaillancourt. Moderator Robinson swore the new members into office.

The Moderator explained the rules and procedures under which the meeting was to be governed and asked the assembly if it was their wish that people who are not registered voters or members of the school district could speak at the meeting. The assembly agreed that those people could speak on items that are on the warrant.

Mrs. Robinson introduced the School Board and members of the staff that were present. Mr. Lascelles introduced the Litchfield Budget Committee.

The Moderator opened the meeting to business under Article I.

Article I Ellen Robinson MOVED that the District raise and appropriate \$805,655 to fund all cost items relating to teacher's salaries and benefits for the 1987-88 school fiscal year, \$66,907 of such sum representing the cost of those additional salaries and benefits offered to teachers by the School Board in the latest bargaining sessions.

Thomas Carroll seconds the motion.

Mrs. Robinson explained this is the second year of a two-year contract with the staff and teachers that are part of the bargaining unit. The contract

represents a 10.5% increase or a 7.7% actual increase because of senior teachers leaving and being replaced by lesser paid teachers.

The article carried by voice vote.

Article II Thomas Carroll MOVED that the District raise and appropriate the sum of \$16,900 to pave the play area at the front entrance and security and service drive at the rear of Griffin Memorial School.

Ellen Robinson seconds the motion.

Mr. O'Shea shows the area to be resurfaced. The front of the building that has never been paved and a service roadway and access to the back of the building. The service roadway will give better access for security and fire purposes and to remove the dumpsters from the front of the building to the back.

James Toland AMENDS the motion to read \$6,800 to pave the security and service drive.

Michael McCarthy seconds the motion.

Thomas Carroll speaks to the amendment. The figures the School Board has received would require \$11,600 to pave the access roadway and \$6,300 to pave the play area.

Mr. Desmarais—Blue Jay Way: Questions the impact next year on his taxes.

Ellen Robinson: I can only speak to the school portion of the budget. A major portion of the budget is principal and interest costs and significant high school tuition costs. You will also see the high school tuition cost go up next year because of the high school teacher's salaries going up. We expect our teacher's salaries to go up also.

In '87 a bond issue will be paid off (the addition that connected the present building). We will get increased state aid, but not enough. We can't tell our tax rate beyond this year.

Richard Lascelles: It is impossible to project very closely what the impact will be next year. The impact this year is from principal and interest (on the new building). I think we are looking at a double digit tax increase until something is done on the revenue side.

Mr. Toland stated that in their Budget Committee work figures that the School District supplied it states to pave an 80 X 60 play area \$10,100. The service area is listed at \$6,800 to pave.

Mr. O'Shea: We have a juxtaposition of the figures.

Tom Levesque Sr.: Does the \$6,800 allow the dumpsters to move to the rear of the building?

Mr. Toland: What we received from the School Board was \$6,800 for a 320' service drive.

Ellen Robinson: Mr. Dolloff supplied the calculated figures today. 600 linear feet of roadway is \$11,000 approximately \$19 per linear foot. The play area is 555 square yards at \$10 per square yard. In our opinion the \$6,800 is not enough to do the service drive.

The moderator calls for a vote.

The amendment to the motion is defeated by voice vote. The moderator asked the assembly to stand to confirm the voice vote. The vote is confirmed as defeated.

John Shea: Will the service road connect with the new school?

Ellen Robinson: It will not connect and will not have to be ripped out at a later date because of the new school.

Elaine Vaillancourt: Would there be a savings if the paving was done when they do the paving for the new school?

Ellen Robinson: I don't think there would be a savings because the paving for the new building would not be done until much later.

Kevin Lynch: I think we would have a savings if just the base (course) was put down now and the final coat was done later.

Philip Cudmore AMENDS the motion to read \$11,600 for paving of the security and service drive at the rear of Griffin Memorial School.

James Toland seconds the amendment.

Bob Crukshank: Why not finish the project now and do it all at once?

Ellen Robinson: It would be a considerable amount of savings on maintenance (to pave play area) because of the children bringing in dirt at recess.

The moderator calls for a vote on the amendment.

The amendment is defeated 38-yes, 46-no. Counted by standing vote.

Wayne Michaud – Mike Lane: I'd rather see Tuckahoe Turf than pavement (in the play area).

Thomas Carroll: Grass is a problem with the amount of (foot) traffic. The dirt that comes in is more than just a sweeping problem. We feel it would be more cost effective to pave the area and have a pay back on maintenance over time.

The moderator calls for a vote.

Article II is defeated 38-yes, 51-no.

Thomas Levesque: I am putting the School Board on notice that the dumpsters should be moved (from the front of the building). I will be notifying the State Fire Marshall if they are not moved.

Article III Thomas Carroll MOVED that the District raise and appropriate the sum of \$55,710 to re-roof portions of the 1958 and 1967 sections of Griffin Memorial School.

Ralph Boehm seconds the motion.

Mr. Carroll stated the ceiling, decking and roofing would be replaced in these areas.

David Dominici – Gibson Dr.: Did you go out for competitive bids and is the work guaranteed?

Mr. Carroll: We have not gone out for bids, the work would be guaranteed.

Mr. O'Shea: This estimate was give to us by one roofing contractor that has done some work for us in Hudson. He came and looked at this job.

Mr. Carroll: We would, of course, go out to bid on this.

The article carried by voice vote.

Article IV Richard Lascelles MOVED that the District raise and appropriate \$3,191,585 for the support of schools, for the payment of statutory obligations of the District, and for payment of salaries and benefits for school district officials and agents excluding those sums raised under Articles I, II, and III.

Ellen Robinson seconds the motion.

The moderator reads the corrected figure for Alvirne tuition as \$970,319.

The moderator led the assembly through the printed budget figures and invited question, comments, and/or amendments.

Mrs. Robinson explained the 1100 series is for regular supplies, paper etc. Teachers salaries have been factored out.

Mr. Dominici questions \$11,010 for furniture replacement.

Mrs. Robinson: That is for replacement tables in the cafeteria and \$2,000 to purchase additional folding chairs so we don't have to rent them also a small amount for folding tables. The current cafeteria tables are unsafe because the benches tip over.

Mr. Desmarais questions the \$5,343 figure for science textbooks.

Mr. Carroll: Last year we made a request to replace math and science textbooks. The Budget Committee asked us to split the purchase over two years. This represents new science books for four grades to replace books that are eleven years old.

1200 series Special Services

Mrs. Robinson: We have experienced more children in this area. This is the only place in the budget where we are looking for a teacher. We are replacing an aide with a teacher.

2150 Speech Path. & Audiology

Mrs. Robinson: Previously we were getting federal funds for part of this salary, that is no longer available.

2300 Legal Fees

Mrs. Robinson: There is a significant increase here due to the increase of legal advice in special education cases.

2540 Operation & Maintenance of Plant

Gerry Parent: Will the new school be using the water company?

Mrs. Robinson: There was no well site for the new school. We have an agreement with So. NH Water Co. to provide water to the new school. We tried to avoid doing that but could find no well site.

Mrs. Shea: There is no heat or electric noted for the new school.

Mr. O'Shea: Those costs will come out of the contingency fund if the school is completed on time.

2550 Pupil Transportation

Mr. Carroll comments on the excellent service we have had over the years with Roz Transportation. Roz Transportation is retiring at the end of this year. That is the reason for the increase in transportation costs.

There were no further questions.

Article IV carried by voice vote.

Article V Ellen Robinson MOVED that the District vote to authorize the School Board to convey to William H. McElwain a parcel of land consisting of approximately 16,708 square feet being a 25 foot wide strip running from Pinecrest Road to the intersection of the new school road and to accept in return from William H. McElwain a 50 foot wide strip of land running from Pinecrest Road to other land of the School District and containing approximately 39,567 square feet on such additional terms and conditions as the School Board deems to be in the best interest of the School District.

Thomas Carroll seconds the motion.

Ellen Robinson AMENDS the motion to read: To see if the District will vote to authorize the School Board to convey to William H. McElwain a parcel of land consisting of approximately 16,708 square feet being a 25 foot wide strip running from Pinecrest Road to land of the School District and to accept from William H. McElwain a 50 foot wide strip of land running from Pinecrest Road to other land of the School District on such additional terms and conditions as the School Board deems to be in the best interest of the School District, and to authorize the School Board to accept on behalf of the School District a gift of the 25 foot wide strip of land to be conveyed by the School District to William H. McElwain.

Gerard Paradis seconds the motion.

The amendment is carried by voice vote.

Mrs. Robinson: This will allow the School District access to our property from Pinecrest Road.

Mr. Desmarais: Is the re-construction of Pinecrest Road going to cost the Town more money in the bottom line?

Mrs. Robinson: I believe this is something that the Selectmen felt had to be done eventually. It may be done sooner than planned because of this. This was a significant savings to re-route the access road to Pinecrest.

Marilyn Proctor – Underwood Dr.: Are you cutting parking spaces at the new school?

Mrs. Robinson: No, we are not decreasing parking.

Article V was carried by voice vote.

Article VI Angela Fitzsimmons MOVED that the district vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the State, Federal and other governmental unit or a private source which becomes available during the 1987-88 school fiscal year provided that such expenditure be made for the purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Ellen Robinson seconds the motion.

There was no discussion. The article carried by voice vote.

Article VII To hear the reports of Agents, committees or Officers chosen, and pass any vote relating thereto.

Thomas Carroll MOVED to dispense with the reading of the reports.

Ellen Robinson seconds the motion.

The motion carried by voice vote.

Mr. Desmarais asks for a report on the new school.

Mrs. Robinson: The design, quality, and size of the building have not changed. The access road length is shorter. There will be little or no playing fields, perhaps a soccer field. Maple Leaf Const. of Nashua was the low bidder.

Mrs. Robinson thanks Bob Bennett for his ten years of service to the School Board. Mrs. Gorman, who has moved, was thanked for her short but dedicated time to the Board. Mrs. Fitzsimmons, who is leaving soon, was thanked

for her dedication of time. Mr. Carroll was thanked for returning to the Board when there was a vacancy that needed to be filled.

Mrs. Robinson also thanked Roz Calawa for her years of good service in the transportation of students.

Article VIII No further business.

Ellen Robinson MOVED to adjourn.

Thomas Carroll seconds the motion.

Motion carried.

The meeting adjourned at 9:35 PM.

A true report of the 1987 Litchfield School District Annual Meeting.

Joan McKibben
School District Clerk
